

AUCKLAND CENTRAL COMMUNITY SHED

The Central Auckland Community Shed is a community-based facility.

**As part of our community initiatives, we can assist the
Early Childhood Educators Sector.**

**We can produce a range of toys and play equipment to
assist in the education and meet the needs of your
children in Play Centres.**

Our shed members have many decades of experience in wood working, carpentry, cabinet making, engineering and welding skills.

We can repair all sorts of equipment and toys, whether it be wood plastic or metal or we can make replacements.

Or

We can produce toys and educational activity fun toys for your business or if you have any specific needs we welcome your enquiry.
